

2026 TUT POSTDOCTORAL RESEARCH FELLOWSHIPS CALL

The Tshwane University of Technology invites suitable applications for the position of Postdoctoral Research Fellow in the Department of Environmental, Water and Earth Sciences, Faculty of Science.

Research field/area:

- Kgaswane Mountain Reserve, Magaliesberg.
- Terrestrial or fire ecology, environmental monitoring, protected area management or land use change.
- Geographic Information Systems (GIS).

Minimum requirements:

- Doctoral degree in Environmental Science, Ecology or GIS. The degree must have been obtained within five (5) years of applying (a degree awarded in 2023, 2024 or 2025 will receive preference).
- Applicants must have authored/co-authored at least two (2) research outputs in DHET-accredited journals since completing their doctoral studies.

Value of fellowship:

- R250,000 per annum.
- A R50,000 incentive bonus would be paid to Postdoctoral Research Fellows who exceeded the research output requirements annually.

Interested candidates may submit the following documentation to DzerefosCM@tut.ac.za

- A detailed CV including a list of all research/creative outputs.
- Certified copies of all relevant qualifications/certificates.
- Certified copy of the SAQA evaluation certificate (for international doctoral qualifications).
- Certified copy of ID or passport.
- A one-page proposal explaining the project title and details linked to the research interests in the fields/areas indicated, that you wish to pursue during the fellowship.

Enquiries: Dr Catherine Dzerefos, Telephone +27 12 382 6369

Closing date for applications: **15 December 2025**
