

## 2026/2027 TUT POSTDOCTORAL RESEARCH FELLOWSHIPS CALL

The Tshwane University of Technology invites suitable applications for the position of Postdoctoral Research Fellow in the Department of Chemistry, Faculty of Science.

### **Research field/area:**

- Coordination and Organometallic Chemistry (Synthesis, Spectroscopic and Photophysical Characterisation, Single-crystal X-ray Diffraction, and or Chemical Kinetics).
- Inorganic and Bioorganometallic Chemistry (Metal Drug Design and Cytotoxicity Studies).
- Computational Chemistry (DFT Calculations and Molecular Docking).

### **Minimum requirements:**

- Doctoral degree in Chemistry or a relevant qualification. The degree must have been obtained within the last five (5) years (a degree awarded in 2024, 2025 or 2026 will receive preference).
- Applicants must have authored or co-authored at least two (2) peer-reviewed research outputs published in DHET-accredited journals.

### **Value of fellowship:**

- R250,000 per annum.
- A R50,000 incentive bonus would be paid to Postdoctoral Research Fellows who exceeded the research output requirements annually.

Interested candidates may submit the following documentation to [ManicumAE@tut.ac.za](mailto:ManicumAE@tut.ac.za)

- A detailed CV including a list of all research/creative outputs.
- Certified copies of all relevant qualifications/certificates.
- Certified copy of the SAQA evaluation certificate (for international doctoral qualifications).
- Certified copy of the ID or passport.
- A one-page proposal explaining the project title and details linked to the research interests in the fields/areas indicated, that you wish to pursue during the fellowship.

**Enquiries:** Dr Amanda-Lee Manicum, Telephone +27 12 382 6309

Closing date for applications: **15 February 2026**
