

2026/2027 TUT POSTDOCTORAL RESEARCH FELLOWSHIPS CALL

The Tshwane University of Technology invites suitable applications for the position of Postdoctoral Research Fellow in the Department of Chemistry, Faculty of Science.

Research field/area:

- Electrochemical Energy Storage & Conversion (i.e., batteries, supercapacitors and fuel cells, water splitting).
- Computational Chemistry (DFT Calculations for Energy Applications).

Minimum requirements:

- Doctoral degree in Chemistry, or Materials Science or a relevant qualification. The degree must have been obtained within the last five (5) years (a degree awarded in 2024, 2025 or 2026 will receive preference).
- Applicants must have authored or co-authored at least two (2) peer-reviewed research outputs published in DHET-accredited journals.

Value of fellowship:

- R250,000 per annum.
- A R50,000 incentive bonus would be paid to Postdoctoral Research Fellows who exceeded the research output requirements annually.

Interested candidates may submit the following documentation to MakgopaK@tut.ac.za

- A detailed CV including a list of all research/creative outputs.
- Certified copies of all relevant qualifications/certificates.
- Certified copy of the SAQA evaluation certificate (for international doctoral qualifications).
- Certified copy of the ID or passport.
- A one-page proposal explaining the project title and details linked to the research interests in the fields/areas indicated, that you wish to pursue during the fellowship.

Enquiries: Prof Katlego Makgopa, Telephone +27 12 382 6406

Closing date for applications: **15 February 2026**
