

**Tshwane University
of Technology**

We empower people

The Department of Biomedical Sciences, in the Faculty of Science requires the services of TUTORS (student assistants) for day classes for the Department of Biomedical Sciences (G675) - 2026

Critical Performance Areas

Provide individual and small group tutoring to students in allocated Tutorial classes. Tutors main responsibilities are to:

- Assist students in improving their academic skills.
- Tutor students in specific course material and integrate study and learning strategies to promote independent learning.
- Meet with the lecturer of the subject they are tutoring and discuss their role as a tutor and obtain any information that will assist them to effectively tutor.

Minimum Requirements

- Must be a registered 3rd year student in 2025 in the Department of Biomedical Sciences.
- Good academic record with a minimum average of 60% in the specified year of study and pass in all subjects.
- Full proficiency in English is a prerequisite.
- Have good interpersonal skills and be willing to work alone and as part of a team.
- Computer literate and access to own computer.
- Available to work a maximum of 4 hours per week during the 2025 academic year.
